**BUILDING SAFETY CERTIFICATE**

Ref No. ....1122.....

Date: .....30/03/24.....

**TO WHOM IT MAY CONCERN**

This is to certify that the school building of **DAV Public School Bariatu**, situated at opposite Bariatu Housing Colony, Bariatu Road, Ranchi -834009 (Jharkhand). The School Building has been inspected and structure seems Usable for the purpose of teaching work & other activities. The condition of building structure is well satisfactory so the safety certificate of school building is issued for educational purpose . However the buildings during Construction has not been supervised by this office so the School Management should have to arrange for the natural climatic incidents i.e. sudden failure of stone patties, earthquakes, fire, flood etc.
