Dear Parents,

Summer vacation is a break from fixed schedules, rules and regulations of the school. Its time to enjoy and relax but its also the time when the children have to spend a lot of time indoors and it becomes a challenge to keep their little minds busy.

Keeping this in mind, we have planned the activities that will keep the children engaged and channelize their energy and at the same time improve their concentration, motor skills and promote independent learning. Kindly help your child in completing the work.

# HAPPY HOLIDAYS!
