My dear Parents

Greetings!!

Standing at the end of the Academic Session 2020-2021 and at the onset of the Golden Jubilee Year of S.C.B. Medical Public School, Cuttack, it's a moment of nostalgia on my part to recollect the priceless association with all of you during the last five decades.... our struggle through many a hurdles to reach our present stature. I owe it all to you ... my sincere gratitude is placed on record.

It's now time to handover the baton to yet another glorifying organization and be a part of DAV GROUP OF SCHOOLS from the session 2021-2022. Positive vibes within me says "DAV S.C.B. MEDICAL PUBLIC SCHOOL, CUTTACK" is definitely going to shine & prosper in days to come.

May you all extend your hands of cooperation and unconditional support to DAV Management too.

All the best.

With heartfelt thanks & gratitude.
