DAV Movement DAV (Dayanand Anglo Vedic) institutions owe their sustenance to the Arva Samaj, the embodiment of the progressive movement launched by Swami Dayananda Saraswati in 1857, a great pathfinder of modern India who led a crusade against the superstitious practices that prevailed in contemporary India.

The DAV movement has rendered a unique service in not only dispelling ignorance and illiteracy but also producing patriots, freedom fighters, social reformers, intellectuals, doctors and engineers of unparalleled merit, integrity and caliber. Presently, it is the largest Non-Government Educational Organization in the country managing over 1000 Educational Institutions.

D.A.V. Public Schools are directly managed by DAV College Managing committee, New Delhi with the goodwill and co-operation of the local intelligentsia under the able guidance and leadership of a band of devoted Principals & academicians. DAV Public School Bariatu Ranchi is a member of the chain of about 700 schools run by DAV College Trust and Management Society throughout the country and abroad.

Since its inception in 1990, DAV Public School Bariatu has carved a niche for itself as a premier co-educational English medium institution in the city of Ranchi. With the support of a dedicated teaching and non-teaching staff, the school has grown from strength to strength. Affiliated to CBSE New Delhi, we have classes from Bal Vatika I to class XII. The school offers holistic education in all three streams- Science, Commerce and Humanities.
